OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification dated Oorgaum 4th September 1950.

Clandestine Manufacture of Fireworks.

No. 1137. Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing Sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೊಣಚಿದ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.

OFFICE OF THE RATIONING OFFICER, MYSORE.

Notification dated 22nd August 1950.

ISSUE OF CAGE SLIPS.

No. A1. 224—50. Whereas the cages provided in the ration cards in force will be exhausted by the end of September 1950, I, Sri D. J. Balaraj, B Sc., Rationing Officer, Mysore City, by virtue of the powers conferred on me by the Director of Food Supplies in Mysore, Bangalore, in his notification No. E1—26—B. 45-46, dated the 19th January 1946, do hereby notify under section 11 of the Mysore Rationing Order. (Food No. 2) of 1943, that fresh cage slips shall be issued to all the Ration Card holders through their respective ration depots between the 1st September 1950 and 21st September 1950. All Ration card holders are requested to present themselves in person and take delivery of the new cage slips at their respective depots.

It is also hereby notified that under proviso to Section 11 (Clause 1) of the said order, no cage slip shall be delivered to any person or any adult member of his family authorised by him unless such person signs in token of having received the cage slip as required by the person delivering such document.

All ration cards in force shall cease to be ration documents on and after the 1st October 1950, unless they are accompanied by the appropriate cage slip issued by the ration depot and no ration shall be issued to such ration card without this cage slip.

D. J. BALARAJ,
